

# Algorithm: to-do list

Nicolas Fernandez-Arias

May 2, 2018

Below are the tasks I need to accomplish before my code is complete.

1. Fix solve\_HJB\_V
  - (a) Change HJBs to reflect reduced state space
2. Fix solve\_HJB\_W
  - (a) Change HJBs to reflect reduced state space
3. Write stat\_dist()
4. Write labor\_demand()
